# WHAT THEY NEEDED

# WHAT WE DID

- ⦿ Door to door collection -

Easiest way to bring a cause to someone's attention is to shove it in their face and do the work for them.

- ⦿ Can drive -

Another solution is to make it fun and exciting to donate by adding a level of competition or Celebration for the cause.

# VOLUNTEER!!!!!!!!!!!!

- ◉ If you feel strongly enough for this cause, you can volunteer.
- ◉ Help out at one of the food banks and pantries, form a team and cook a meal (they provide the food) and serve it at the Soup Kitchen or the Shelter one day a month, or be on one of the fundraising committees. Everyone has special talents that they can share. Just give them a call and they will arrange something for you.
