# PROBLEM/ISSUE

- ❖ They're in hiding. Which means they don't have the ability to go out and get their hair or nails done, they can't really go out and pamper themselves.
- ❖ I chose this because that's what I want to do I want to do hair and nails and my whole goal was to make them feel special, like they're worth something. I knew that they had been through a lot lately and I want to do anything to help them feel better about themselves.

# THE DOVE CENTER

---

❖ The best thing students could do to help is donate, donate clothes or food. If you have any other ideas you can contact The Dove Center and ask them about it.

# FACTS

- ❖ The Dove Center is there to help women and their kids who are domestically abused. 1 in 3 women are reported abused, that doesn't include the unreported ones, which makes that a lot more.
- ❖ 1. Roughly 1.5 million high school boys and girls in the U.S. admit to being intentionally hit or physically harmed in the last year by someone they are romantically involved with.

# FACTS

- ❖ Females between the ages of 16 and 24 are roughly 3 times more likely than the rest of the population to be abused by an intimate partner. 50% of young people who experience rape or physical or sexual abuse will attempt to commit suicide. Only 1/3 of the teens who were involved in an abusive relationship confided in someone about the violence.
- ❖ There are places to help, and people don't have to put up with people treating them badly.

# RE-CAP

---

- ❖ My whole goal was to make women feel beautiful and worth something.
- ❖ All I did was take something that I was good at and put it to good use.
