RE: Upcoming Constitutional Convention in NuCountry

Your research on the FORMS OF GOVERNMENT, POWER SYSTEMS, and ECONOMIC SYSTEMS was excellent. You are now ready to make final preparations for the NuCountry Constitutional Convention.

1. Please study the BACKGROUND INFORMATION on Handout A. Examine the maps and the graphs and discuss the questions on the handout.
2. Please study Handout B and identify your interest groups' unique CHARACTERISTICS and CONCERNS about the future of NuCountry.
3. Please complete the matrix on Handout B by listing your groups Preferred Options and Logical Compromises (2nd Choices) for Form of Government, Power System, and Economic System. You will need to refer back to your "Comparison Features Chart" for this step.
4. Please make the following group assignments: (1) Introduce your group's background and preferred options; (2) Make a table sign with your group's name and a simple slogan that illustrates your priorities; (3) Negotiate/form alliances during the convention; (4) Debate with other groups

Choose wisely, and I'll see you at the convention!
